September 2026

Dear Early Admission 2027 Spring Term Applicant,

Thank you for your interest in the 2027 Spring Term Early Admission program! Please submit the following documents by the application deadline of **Thursday, November 5, 2026**:

1. 2027 Spring Term Early Admission Application and Eligibility Evaluation: Completed and signed by you and your high school counselor (or home education parent/legal guardian). Be sure to include your EFSC student identification number (B#).
2. 2027 Spring Term Early Admission Student/Parent Agreement: Signed by you and your parent/legal guardian.

Submit your application BEFORE the **November 5** deadline to find out early if you have been accepted into the program. Early acceptance allows you to register for classes when registration begins. ***Please check your Student Titan Email for notification about your application status. We will not send notices to your personal email address.***

HOW TO SUBMIT YOUR APPLICATION

Email your application with all documents ***saved as PDF attachments*** to binningerd@easternflorida.edu. Applications submitted in paper/hard copy form or sent from a personal email address will not be accepted. Parents/high school counselors may not submit the application for you.

2027 EFSC SPRING REGISTRATION

After you receive your acceptance letter, you may register for 4 or 5 classes when the registration window opens. A 3.5 cumulative unweighted GPA and your high school's permission are required to register for six courses.

NEW TO DUAL ENROLLMENT? If you have never dual enrolled before, you must complete the EFSC admissions process before you turn in your 2027 Spring Term Early Admission application. Review the [EFSC Dual Enrollment webpage](#) for important dates and deadlines.

1. Complete and submit the [EFSC Dual Enrollment Online Application](#) and receive your acceptance letter.
2. Provide college-ready placement test scores in reading, writing, and math. **It is your responsibility to ensure that EFSC has received your college placement test scores!**
3. Complete the mandatory Dual Enrollment Online Orientation and Initial Advising Appointment.

If you have any questions, please contact me at binningerd@easternflorida.edu or 321-433-5155.

Sincerely,

Donna C. Binninger

EARLY ADMISSION 2027 SPRING TERM STUDENT/PARENT AGREEMENT

Early Admission Spring Term Dual Enrollment enables qualified seniors to attend Eastern Florida State College as full-time students in the spring term of the 12th grade. Participants take all their courses at EFSC while remaining eligible to participate in high school extracurricular and graduation activities. Upon completion of the spring term, participants are no longer eligible for Dual Enrollment since Early Admission is considered a student's final year in high school. It is important that both you and your parent/legal guardian are aware of pertinent high school and college policies and procedures.

I understand that:

1. While taking courses toward my selected degree program, I must also meet any remaining high school graduation requirements through equivalent college courses. Textbooks, support materials, lectures, and assignments in EFSC courses have been developed for adult students (typically age 18 and older) and will not be modified to accommodate younger students.
2. I must register for at least twelve (12) credit hours/four (4) courses in the spring term. A co-requisite lab course, i.e. CHML 1045, will not count as the fourth course. If my EFSC courseload drops below four courses, I will be considered part-time Dual Enrollment, and my high school will require that I enroll in additional high school courses.
3. Withdrawal from an EFSC course(s) or a grade of "F" may jeopardize high school graduation and continuation in the program. Poor grades and withdrawals may also affect scholarships and university admission; grades received in college courses taken through Dual Enrollment become a part of my permanent college and high school transcript.
4. Inappropriate and disruptive behavior may result in administrative withdrawal from the Early Admission Dual Enrollment Program and EFSC courses, and I may be ineligible for Dual Enrollment in the subsequent term. Academic dishonesty may result in a grade of "F" in the course.
5. Early Admission dual enrollment students who are expelled from their high school and/or assigned to an alternative placement because of conduct violations at a high school activity will lose Dual Enrollment eligibility and may be administratively withdrawn from EFSC courses.
6. It is my responsibility to maintain regular communication with my high school, so I am aware of important dates relating to any required testing, scholarship opportunities, and graduation activities. This includes submission of name for diploma list, ordering of cap and gown, graduation announcements, and any other event or activity of significance to graduating seniors.
7. College credits successfully earned at EFSC transfer to any of Florida's public postsecondary institutions provided that the receiving institution offers the same course with the same number.
8. Eastern Florida State College does not guarantee the transfer of credits to postsecondary institutions outside of Florida or to private institutions; I should consult with the Admissions Office at the college or university I plan to attend for specific information.
9. I will adhere to the policies of the college regarding attendance, grades, confidentiality, deadlines, and student conduct. It is my responsibility to ensure that I am aware of, and understand, all instructor requirements.
10. Eastern Florida State College, in conjunction with the Barnes & Noble Titan First Day Ready program, provides required instructional materials to public, private, and home school students. It is my responsibility to purchase required one-time use instructional materials, such as workbooks or lab manuals, that cannot be reused by another student. I must return loaned materials by the return deadline.

The signatures below indicate that my parent/legal guardian and I have read and agree with the contents of this document.
