- Writers Haven Club will be hosting an open mic night on April 21st, Tuesday starting at 3, they will be featuring members of the Titans Theater Club, Pink Pony Club, Digital Media Club, Aerospace Club and the EFSC jazz Band. Students can speak or sing and they will have snacks as well.

VIII. Unfinished Business – no unfinished business

X. New Business

- Aerospace Club Travel request – They would like to go to the PB Expo in Miami this year. This is an aerospace maintenance competition and hopefully take home the first place prize for different events like they did in the past. They will learn things like cabling, safety

wire and electronics, this will help the students and their skills improve. They move for SGA to allocate \$6350.00 to the Aerospace Club. (motion passed)

- Rotaract Live Below the Line – This is an educational campaign to share information about global and local poverty. They are setting aside money to purchase 25 different sets of food, and they will distribute food to 2 different locations, one will be Cocoa Earth Day and the other at their weekly meeting. This campaign challenges people to live with \$2 a day for five days, to highlight the challenge of hunger people are fighting globally. They move to allocate \$250.00 for the Live Below the Line challenge. (motion passed)

- Titans Digital Media Club Travel request – They would like to go to the sunscreen festival the weekend of April 30th through May 3rd. It's a global film festival in Tampa, they go and have some breakout sessions and some panels with professional writers and showrunners, camera people, actors and directors. The titan Digital Media Club would like to request \$7022.00 to attend the Sunscreen Film Festival. (motion passed)

- Vet Tech Sea World Vet Facility Travel request – They want to travel to SeaWorld on April 10th, they will get a self-guided tour through the park to observe animal behavior and care as well as their habitat. They will also be participating in interactive animal sessions with staff. The students will be led on a private behind the scenes tour of the veterinary facility where they will see equipment and veterinary care specific to marine life. They move to allocate \$2921.00 for the Veterinary Club to go on the SeaWorld Veterinary Facility Tour. (motion passed)
